

# 10th Annual Neuse River Cleanup T-shirt Contest

*In honor of the 10<sup>th</sup> anniversary of the Neuse River Cleanup the Neuse RIVERKEEPER<sup>®</sup> Foundation (NRF) wants you to help design the event t-shirt!*

## What should I draw?

*Anything you think represents the cleanup! You can draw something that reminds you of a perfect and happy river...or of the problems and trash our river has. Just remember, this day is about making a difference and making our creeks and streams safer places for fish, animals, and people! You can see pictures and videos from last year or learn more at [tiny.cc/Neuse2012](http://tiny.cc/Neuse2012)*

## How do I send you my picture?

Upload your design to the Facebook event page at [tiny.cc/NeuseCleanup](http://tiny.cc/NeuseCleanup), or mail it to Matthew Starr at [matthew@neuseriver.org](mailto:matthew@neuseriver.org), or 612 West Lane Street, Raleigh, NC 27603

## When is it due?

The contest is open from January 27 until March 15, 2012. The winner will be notified by March 26<sup>th</sup> and the t-shirt will be unveiled on April 7 at the Annual Neuse River Cleanup.

## What do I win?

- Your design put onto our 10th Anniversary t-shirt that hundreds of people will wear
- A free t-shirt and thank you certificate from the Neuse RIVERKEEPER<sup>®</sup> Foundation
- A chance to be the honored guest of our Upper Neuse RIVERKEEPER<sup>®</sup> for the day of the cleanup. As the exclusive guest of the Riverkeeper you will get a chance to see, first-hand, how hundreds of people come together in a single day to make real and positive change for our waterways. You will meet the volunteers, see all the weird things we collect from the river and creeks, and maybe even speak with the media!

## What's the Neuse River Cleanup?

Every year families, scout troops, churches, and communities members get together to get muddy for a good cause. **Last year 325 volunteers of all ages joined forces to pick, drag, and paddle 13,425 lbs of trash and recycle out of our creeks, streams, and river.** We hope even more will join us this year. The date is April 7<sup>th</sup> 2012, from 8:30am to 2:00pm.
